

Dances of Universal Peace Day

A One-Day Workshop with
Murshid Allaudin Ottinger

at the Miroma Steiner Centre, Vaucluse

Saturday 23rd June 2018

Allaudin is known as one of America's best-loved leaders of the Dances of Universal Peace. He has facilitated camps, seminars and retreats around the world since 1979 and is a senior Dance mentor and teacher in the Sufi Ruhaniat International. "His exceptional musicianship, creativity and spontaneity are the seeds of ecstatic experiences of the transformational, healing power of the sacred arts."

"Spirituality is not necessarily intellectuality, nor orthodoxy, nor ascetism. Orthodoxy, ascetism, or intellectual pursuit after truth, are all the various ways people have taken in order to reach the spiritual goal; but the way is not the goal. If there can be a definition of spirituality, it is the tuning of the heart."
