## **A Weekend of Dances of Universal Peace**

*with*

## *Anahata Iradah*

Anahata, with her gifts as a musician, meditation teacher, and senior leader of the Dances of Universal Peace, uses the vehicles of sacred dance and song to inspire and uplift, inviting everyone to experience the power of their own human potential. Participants in her workshops benefit from her many years of study and practice on the spiritual path.

Her joy, exuberance and friendliness draw everyone who works with her into heartfelt participation.

*All dances are fully taught,  
no experience necessary*
